September 27, 2018

Dear Parent/Guardian,

During the month October, your child's class will be visiting the MUN Botanical Garden to take part in activities as part of the Science program. The cost includes busing and admission to the Botanical Garden and is \$10.00. We go rain or shine and all programs involve an outdoor component, so please dress appropriately!

We ask that you please sign the permission slip below and return it to your child's science teacher as soon as possible.

The Grade 7 program in which will your child will take part is described below:

Grade 7 Ecosystem Discovery

Come explore our boreal forest! Your students will investigate different ecosystems and examples of succession, and examine different areas to see if they can hypothesize which areas might have been affected by disasters. Students will also get a sneak peek at our dinosaur tree, the Wollemi Pine and discuss its story of survival.

Parent/Guardian Permission Slip

Student name: _____

Age: _____ Grade: 7

Phone: Home: _____ Emergency: _____
